ABOUT

Seeking an Internship

Junior in Computer Science at Purdue University studying software engineering. Possesses significant experience working in team environments, using critical thinking skills, and interacting with people.

Determined to work hard, learn new things, maintain a positive attitude, and gain more real world work experience in the form of an Internship.

EDUCATION

Purdue University – West Lafayette, IN Spring 2019
BS Computer Science
Concentration in Software Engineering, Machine Intelligence
Minor in Earth/Atmospheric Science
GPA: 3.82/4.00

RELEVANT CLASSES

Software Engineering I	Software Testing
Data Structures and Algorithms	Computer Architecture
Analysis of Algorithms	Systems Programming I
Operating Systems (<i>Currently Enrolled</i>)	Database Systems (<i>Currently Enrolled</i>)

SKILLS

C | C++ | C# | Java | Python 3 | Xamarin | Windows | Linux | Android | Visual Studio

PROJECTS

upgrade – Profile and messaging system to help students find tutors; <i>Group Software Engineering project developed in Xamarin C# and NodeJS</i>	Spring 2017
Memedemic – Command prompt styled digital recreation of the board game <i>Pandemic; Group Software Testing project developed in C++</i>	Fall 2017
Waves – Tetris-style game personal project developed in C++ with SDL	Winter 2017

WORK HISTORY

Teaching Assistant Purdue University – West Lafayette, IN <i>Assists running labs by answering questions, holding quizzes, proctoring exams, and participating in online class discussion board</i>	Aug 2017 – Present
Lead Instructor iDTech Camps – Lisle, IL <i>Taught classes in C++, assisted directors, mentored peers, setup camp equipment, socialized with parents at events, created an engaging learning environment for students, and led student activities</i>	May – Aug 2017, May – Aug 2016

ACTIVITIES

Math Tutor , CoSINE	Jan 2016 – Present
Secretary , Purdue University Gamers' Group	Aug 2015 – Present

AWARDS/HONORS

Dean's List Status (x4), Purdue University	Fall 2015 – Spring 2017
